

Middle School Student Application for Admission

Please mail or scan and email this portion to the Admission Office

Student's Name: _____ Applying for Grade: _____

This application is designed to help us get to know you as an individual. We expect you to do all the reading, thinking, writing and creating yourself. It is OK to ask an adult for support, but it is important that all of this be your own work. We suggest writing a draft (practicing what you are going to write) on a separate piece of paper first and then writing your final version in the spaces below. You may attach additional pages if necessary.

Please respond to the following statements or questions using pen or pencil in your own handwriting.

1. Tell us about your family.

2. What do you like about your current school?

3. What would you change about your current school?

4. Tell us about one book you have read this year not assigned by a teacher. Did you enjoy this book? Why or why not?

5. Please write about someone you admire and why.

6. Please describe an instance when you helped, or did not help a friend. What did you do? What might you do differently in the future?
